

# Costing Examples

At J Stamp & Sons we have always tailored our pricing very much to your individual requirements. A memorial can be as simple or involved as needed and the price will reflect this.

Below are some typical example prices to help give you an indication of likely costs. Once you have decided on your choice of memorial, we will provide you with a no obligation written quotation detailing the exact costs involved. If you decide to proceed, we ask for a deposit of 50% of the total cost at the time of ordering with the balance payable once the memorial has been installed.

Please feel free to call us at any stage to discuss any concerns or questions that you may have regarding payment.
